

**“Accountability, Professionalism & Quality Care:  
It begins with me the Registered Nurse”**

**Webinar and/or ARNPEI Boardroom**

<i>Date</i>	<i>Time</i>
February 8 <sup>th</sup> 2017	1330-1430
March 7 <sup>th</sup> 2017	1330-1430

**Presenters: ARNPEI Consultants: Audrey Fraser and Vicki Foley**

***Objectives:***

- **Review** ARNPEI Standards for Nursing Practice & Professional Expectations
- Examine what professionalism is and is not
- Discuss lived experience of unprofessionalism (PCR)
- Evaluate your perspective of professionalism and client outcomes

In preparation for this presentation please reflect on the [RN Standards of Practice](#) and your accountability as a RN.

- **Accountability** is an essential component of professional **nursing** practice. **Accountability** also is an essential component of patient safety. *As a Registered Nurse* I am accountable for my decisions, actions and consequences of those decisions
- *As a Registered Nurse* I am responsible for taking responsibility for my own actions(including errors)
- As a registered Nurse my accountability also includes promoting respect for the nursing profession through my conduct and maintains my competencies throughout my career.

**Please register 1 week in advance of these sessions.**

**Register:** Please call 902-368-3764 or email Sheila Davies [info@arnpei.ca](mailto:info@arnpei.ca)

You must leave your email address and you will get the registration information for the webinar 2-3 days in advance of the session.

Registered Nurse: Expertise you Trust
