Q: What does RHPA stand for?

A: RHPA is the Regulated Health Professions Act which was proclaimed Dec 20, 2013. Since that time there have been several amendments.

Q: What other Health Professions are under the RHPA?

A: Dietitians, Licensed Practical Nurses, Occupational Therapists, Pharmacists and Pharmacy Technicians.

Q: Will registration numbers change?

A: No, you will keep your registration number.

Q: Will the Association of Registered Nurses of Prince Edward Island stay the same in RHPA?

A: ARNPEI will become a College.

Q: Will there be opportunity to be continue Association-type activities or will the activities be purely regulatory?

A: The College will be able to continue some association activities, the details of which will be determined in the coming months. See the following CNA Fact sheet for more information about the Complementary Roles of Nursing Regulatory Bodies and Professional Associations. https://www.cna-aiic.ca/-/media/cna/page-content/pdf-en/cna_ccnr-fact-sheet-on-completmentary-roles.pdf?la=en&hash=1B19EE2FFDED19820B737FE41DC01BA74C671EDE

Q: Should I read the RHPA?

A: Yes, you will find the RHPA document on the Government Website at https://www.princeedwardisland.ca/sites/default/files/legislation/r-10-1-regulated_health_professions_act.pdf

Q: Will I find the new Regulation for Registered Nurses and Nurse Practitioners on the Government website?

A: Not yet, once the Regulation is in force, there will be a copy on the Government website with the RHPA.

Q: What is a Jurisprudence exam?

A: A jurisprudence exam is used to measure awareness of provincial and regulatory policies and any provincial and federal laws related to nursing practice in this province. Being knowledgeable about legislation and regulatory policies enhances a nurse's or NP's ability to practise safely, ethically and competently – and within legal parameters.

Q: When does RHPA govern Registered Nurses?

A: Effective July 4th, 2018, the regulation of registered nurses and nurse practitioners in PEI will transition to the Regulated Health Professions Act and ARNPEI will become the College of Registered Nurses of Prince Edward Island.

Q: What does it mean to be a member under RHPA?

A: Once RNs are in RHPA, no person shall practice the regulated health profession except as a member of the college for the regulated health profession.

Title protection is also prescribed by RHPA – only persons who are members of the college can use the title of Registered Nurse.

Q: Does the incorporation change?

A: Moving to RHPA, means the Association of RNs of PEI is replaced by the College of Registered Nurses of Prince Edward Island. The Incorporation of the Association of Nurses of PEI, later known as the Association of Registered Nurses of PEI, and now to

be known as the College of Registered Nurses of PEI, will remain as incorporated in 1922. Which means despite name and mandate changes, we will be able to celebrate 100 years as an organization in 4 years time.

Q: What are the objects of the College?

A: The objects of the College include primarily a regulatory mandate in accordance with the Act, the regulations (available on July 4th) and bylaws (which will be set by Council in the coming weeks):

- To regulate the practice of its regulated health profession and govern its members in accordance with this Act, the regulations and bylaws
- To develop, establish, maintain, monitor compliance with and enforce standards for registration of a member
- To develop, establish, maintain, monitor and enforce standards of practice
- To develop, establish, maintain, monitor compliance with and enforce standards respecting continuing education
- To provide information for the public about the regulated health profession of Registered Nurse
- To promote and enhance relations between the college and its members
- To promote inter-professional collaboration with other colleges, and
- To administer the College's affairs and perform its duties and carry out its powers in according with the Act, the regulations and the bylaws.

The College has a limited ability to engage in Association-type activities including:

- To develop, establish and maintain programs to promote the ability of its members to response to changes in practice environments, advances in technology and other emerging issues.

Q: Who is a member?

A: The membership of the college comprises those individuals whose names appear on the register of the College and who have paid the fees provided for in the bylaws.

Q: Where do my Fees go?

A: Fees will be paid to the College just as they were paid to the Association.

Q: Will the Fees and deadlines for payment change?

A: The Fee schedule will be available shortly after July 4th. There will be some changes in fees and deadlines for fee payment. Details to come.

Q: What type of registration exists in the new Regulation?

A: Regular registration and special registration are the types of registration in the new regulation. The category of Associate membership, or referred in some jurisdictions as non-practicing membership, no longer exists in RHPA.

Q: What does Council do?

A: The Council of the college shall:

- a) Manage and conduct the business and affairs of the college; and
- b) Exercise the college's rights, powers and privileges in the college's name and on the college's behalf.

Q: Who is on Council and how does someone get on Council?

A: Members of council shall consist of at least 6 persons who are either:

- a) Members of the college, nominated in accordance with the college's bylaws and appointed by the Minister; or
- b) Public representatives appointed by the Lieutenant Governor in Council;
- c) At least 1/3 of the members of a council shall be public representatives.

Q: When will the changes to Council occur?

A: There are no immediate changes to the membership of Council since attrition this past spring resulted in 7 members of Council, one of whom is a public representative. The make-up of Council will be determined in the bylaws in the coming weeks.

The College has 2 years to meet the requirements set out in the RHPA for the Council.

New Terms and Conditions:

- 1) There will be 1 register for nursing with 2 parts and 3 classes of registration
 - The 2 parts are the registered nurses part and the graduate part
 - The 3 classes are general class, extended class and special class
- 2) Nurse Practitioners are registered nurses in the extended class
- 3) Special class is registration for registered nurses or nurse practitioners who are registered for a special purpose or a special period – who hold a registration in another jurisdiction – referred to as their “home jurisdiction.”
- 4) Nursing License becomes *Certificate of Registration*
- 5) Graduate Nurse is referred to as “a GN”, not “a GAR”
- 6) Renewal period is 30 days, with the deadline moved back to **October 1st** for November 1st registration.
